and

OPTI, INC.,

Defendant-Cross Appellant.

**AGREEMENT AND [PROPOSED] ORDER FOR VOLUNTARY
DISMISSAL OF OPTI FROM CRYSTAL'S APPEAL
AND VOLUNTARY DISMISSAL OF OPTI'S CROSS-APPEAL**

Plaintiff-Appellant Crystal Semiconductor Corporation ("Crystal") and
Defendant-Cross Appellant OPTI, Inc. ("OPTI") have entered a Settlement
Agreement that resolves the underlying dispute between them. Pursuant to the
Settlement Agreement, Crystal and OPTI have agreed, inter alia, (1) to have OPTI

dismissed as a party to Crystal's appeal (No. 99-1559); (2) to dismiss OPTi's cross-appeal (No. 99-1560); and (3) to the entry of a consent judgment in the District Court with respect to OPTi.

Crystal's appeal (No. 99-1559) and the cross-appeals of Defendants-Cross Appellants TriTech Microelectronics International, Inc., and TriTech Microelectronics International PTE Ltd. ("TriTech") (Nos. 99-1558 and 00-1006) otherwise continue fully as to all issues raised by those appeals.

Accordingly, Crystal and OPTi jointly move pursuant to Rule 42(b), Fed. R. App. P., for an Order that:

1. OPTi is DISMISSED as a party to Crystal's appeal (No. 99-1559).

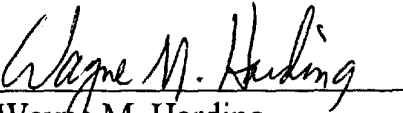

Crystal's appeal is otherwise unaffected and continues as to all other parties and issues.

2. OPTi's cross-appeal (No. 99-1560) is DISMISSED.

3. Jurisdiction with respect to OPTi is returned to the District Court immediately upon the entry of this [Proposed] Order so that the District Court may enter a consent judgment with respect to OPTi in accordance with the Settlement Agreement between Crystal and OPTi.

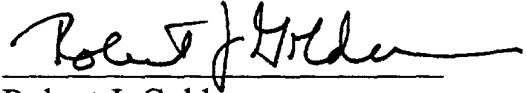

Crystal and OPTi shall bear their own costs with respect to this appeal.
